Dear Phil,

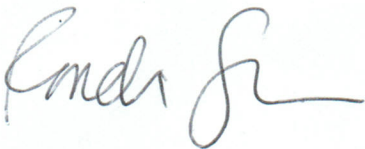

Enclosed is the check made out to the Hakimian's for apartment 4G at 100 Cuttermill Road. Michael and I are very excited for us to be moving in there. It is exactly what we were looking for. Thank you so much for taking so much time with us to help us find just the right place. You were a Godsend!

Michael and I thought the best color for the walls to be painted would be eggshell. It's a nice neutral color. Since it is such a common color, we thought there would be no need to send a swatch. I hope that is OK with the Hakimian's. Please let us know if they want/need a sample, too.

Thank you again for all your time in helping us find an apartment. We look forward to receiving the lease and signing it.

Happy New Year!

Warm regards,
